

event of size regulation such certificate or memorandum shall also state the size or sizes of peaches in such shipment, and in the event separate requirements are in effect for shipments of peaches to destinations in adjacent markets such certificate or memorandum shall also state the composition of such shipment in terms of such requirements, and in the event of regulation by minimum standards of quality or maturity, or both, such certificate or memorandum shall also state the composition of such shipment in terms of such minimum standards. The aforesaid certificate or memorandum shall also state whether the peaches in such shipment meet the then effective requirements applicable to such shipment.

(b) The Industry Committee may establish with the approval of the Secretary positive lot identification requirements for lots of peaches inspected and certified pursuant to this section. Whenever implemented, such requirements shall at least specify that upon inspection, all peaches shall be identified by tags, stamps, marks, or other means of identification recognized by the Federal Inspection Service or the Federal-State Inspection Service or any other inspection service designated by the Secretary; that such identification shall be affixed to the container by the handler under the supervision of the Federal Inspection Service or the Federal-State Inspection Service or any other inspection service designated by the Secretary; and that such identification shall not be altered or removed except as directed by the Federal Inspection Service or the Federal-State Inspection Service or any other inspection service designated by the Secretary. For the purposes of this section, lot means the aggregate quantity of peaches of the same variety, in like containers with like identification offered for inspection as a shipping unit.

§ 918.70 Compliance of handlers.

Except as provided in § 918.71, no handler shall ship peaches, the shipment of

which has been prohibited in accordance with this part; and no handler shall ship peaches except in conformity to the provisions of this part and the provisions of the regulations, if any, issued by the Secretary pursuant to the provisions of this subpart.

PEACHES NOT SUBJECT TO REGULATION

§ 918.71 Peaches not subject to regulation.

Peaches shipped for consumption by a charitable institution or for distribution for relief purposes or for distribution by a relief agency or distribution by non-profit school lunch agencies or peaches for manufacturing, processing, canning, or conversion into by-products on a commercial scale or peaches shipped by express or parcel post, or peaches included in shipments of peaches to any person during any day by any handler if such shipments do not aggregate more than the equivalent of five (5) bushels shall be exempt from the provisions of this part. The Secretary may prescribe, on the basis of the recommendation and the information submitted by the Industry Committee, or on the basis of any other available information, adequate safeguards to prevent such peaches from entering the commercial channels of trade for consumption in fresh form.

RESEARCH AND DEVELOPMENT

§ 918.72 Production research and market research and development.

The Industry Committee, with the approval of the Secretary, may establish or provide for the establishment of projects involving production research and marketing research and development designed to assist, improve or promote the marketing, distribution and consumption of peaches and the efficient production thereof. The expenses of such projects shall be paid from funds collected pursuant to § 918.41, or from any other sources approved by the Secretary.
